

Hi everyone! Welcome to our Travel Directory!

Cubaweb, the first online portal of Cuba invites you for a ride on this new version with a tourist feeling.

Our team consists of programmers, designers and web specialists, belongs to the Specialized Services Company "GET" of Cuba's Ministry of Tourism.

Cubaweb offers since 1996 a variety information about events and news of the island and it's also a directory of useful links on Cuban websites.

If you want to travel to Cuba, our travel directory offers a simple and practical content that will make your visit enjoyable. Suggestions for tours, hotel deals, tourist destinations, cultural scene and events or fairs in Cuba can help you to design a holiday different and unforgettable.

On this occasion we have prioritized categories and links dedicated to tourism in Cuba, so that travelers can easily access from home to a fairly complete reference places or aspects that need to know or see during your trip and at the same time, including some materials of cultural and customary court that will familiarize you with Cuban people and their culture.

Visit our new directory and let us know your views that certainly help us in improving our work. See you here!
